Suite 370  
Atlanta, Georgia 30309  
[matt@wfirm.com](mailto:matt@wfirm.com)  
(404) 888-4444

- ii. Preliminarily approve this Agreement as sufficiently fair and reasonable to warrant sending notice to the Settlement Class preliminarily certified for settlement purposes;
- iii. Preliminarily enjoin any Class Member from bringing a new alleged class action or attempting to amend an existing action to assert any class claims that would be released pursuant to the Agreement;
- iv. Appoint Atticus Administration LLC as the Class administrator (“Administrator”);

- vi. Determine that distribution of the Individual Notice and Publication Notice as described herein, are the reasonable and best practicable notice under the circumstances; are reasonably calculated to apprise Class Members of the pendency of the Lawsuits and of their right to object or opt-out of the Proposed Settlement; constitute due, adequate, and sufficient notice to all persons entitled to receive notice; and meet the requirements of the Georgia Rules of Civil Procedure, and requirements of due process under the Georgia and United States Constitutions, and the requirements of any other applicable rules or law;
  - vii. Require each potential Class Member who wishes to exclude himself or herself from the Settlement Class to submit to the Administrator a written request for exclusion to be postmarked not later than twenty (20) days prior to the Final Approval Hearing;

  - x. Preliminarily appoint Atlanta Movers, Ellis, Cockroft, Houpe, White, Gissentanner, Stewart, Barker, and Bowman as the Class Representatives.
  - xi. Stay all proceedings in the Lawsuits until further order of the Court; provided, however, the parties may conduct such limited proceedings as may be necessary to implement the Proposed Settlement or to effectuate the terms of this Agreement.
- B. Preliminary certification of the Settlement Class and appointment of the Class Representative and Class Counsel for purposes of this Proposed Settlement by the Court shall be binding only with respect to the Proposed Settlement. In the event the Proposed Settlement is not consummated for any reason, whether due to a termination of this Agreement in accordance with its terms, a failure or refusal of the Court to approve the Proposed Settlement, or a reversal or modification of the Court's approval of the Proposed Settlement on appeal, or for any other reason, then (a) the Court shall vacate the certification of the Settlement Class, (b) the Parties shall proceed as though the Agreement had never been entered and the Settlement Class had never been certified, except that Section XIX of this Agreement shall remain in effect, and (c) Defendant shall have the right to

contest the certification of any class herein. Nothing herein shall preclude the Court from considering the merits of any motion for class certification.

## VI. CLASS NOTICE

- A. Within 30 days after the Preliminary Approval of the Proposed Settlement as provided in Section V, above, Defendant shall provide to Class Counsel and the Administrator those spreadsheets in its possession and readily obtainable that include the license plate, VIN, or tag data of each potential Class Member that they have been able to identify, after conducting a reasonable search and making a reasonable inquiry of its records of bookings of Class Members during the Class Period. Such spreadsheets will be provided in their original or similar machine-parsable format.
- B. Class counsel will work with the Settlement Administrator (defined below) to perform any necessary actions to obtain the identities of the registered owners of the vehicles whose VIN, License Plate or tag numbers have been supplied, including issuing subpoenas or FOIA requests or seeking court intervention as necessary.
- C. Within 30 days after receipt of this information, or as soon thereafter as practicable, the Administrator shall provide to Class Counsel and Defendant a list of the names and last known address of the potential Class Members the Class Administrator was able to identify through use of the VIN, license plate or tag data.
- D. Thereafter, the Administrator shall send a copy of the Individual Notice and a Claim Form by first-class mail to each potential Class Member for whom were identified through license plate, VIN or tag data. Prior to posting of the Individual Notice by the Administrator with the United States Postal Service, the Administrator shall utilize the National Change of Address database (the "NCOA") in an attempt to obtain the most current addresses for those receiving the Individual Notice.
- E. After the posting of the Individual Notice by the Administrator with the United States Postal Service, for any Individual Notices returned as undeliverable, the Administrator shall utilize the services of a commercial database resources entity (e.g., Accurint, TransUnion, IDI, etc.), and attempt to obtain current mailing addresses and/or telephone numbers for such returned Individual Notice(s), and should the commercial database show a more current address, the Administrator shall re-post the returned Individual Notice to the more current address; *provided however*, if a determination is made in good faith by the Administrator that it is not possible to further update any particular Class Member's address(es) in sufficient time to re-post the Class Notice(s) at least thirty (30) days before the scheduled Final Approval Hearing, then the Administrator need not

make any further efforts to provide further Individual Notice to such Person(s).

- F. The Individual Notice will be approved as to form and content by the Court and be substantially in the form attached hereto as **Exhibit “2”**, unless otherwise modified by agreement of the Parties and approved by the Court. The mailing to the Class Members that contains the Individual Notice will also include a copy of the Claim Form, in a format substantially similar to **Exhibit “3”**.
- G. If any Individual Notice and/or Claim Form mailed to any potential Class Member is returned to the Administrator as undeliverable, the Administrator will promptly log each Individual Notice and/or Claim Form that is returned as undeliverable and provide copies of the log to Defendant and Class Counsel monthly. It is agreed by the Parties that the procedures set forth in this Section constitute reasonable and best practicable notice under the circumstances and constitute an appropriate and sufficient effort to locate current addresses for Class Members such that no additional efforts to do so shall be required. Upon request, the Administrator shall provide Class Counsel and/or Defendant such reasonable access to the notice process as they may need to monitor compliance with the notice campaign.
- H. In addition to the Individual Notices, the Administrator shall, commencing no later than the date of posting for the Individual Notices, cause to be published a notice (“Publication Notice”) of the Settlement in the Atlanta Journal Constitution. The Publication Notice shall be published once a week for four consecutive weeks, in a form substantially similar to that attached hereto as **Exhibit “4”**.
- I. The Individual Notice and Claim Form will also be made available to all potential Class Members by request to the Administrator, who shall send via first class U.S. mail any of these documents as requested from the Administrator by any potential Class Member.
- J. All expenses incurred by the Settlement Administrator pursuant to this Section shall be deemed administration costs and paid from the Settlement Fund.

## **VII. SUBMISSION OF CLAIMS BY CLASS MEMBERS**

- A. To be eligible for a payment as a Participating Class Member, a Class Member must timely submit a Claim Form in accordance with this Section. Claim Forms shall be pre-printed with the information contained in subsection D, below, to the extent such information is known.
- B. Class Members who do not timely request exclusion from the Settlement Class have the opportunity to submit Claim Forms requesting payments

calculated in accordance with paragraphs Section IV, above. Claim Forms shall be included with the Individual Notices mailed to Class Members as provided in Section VI above. In addition, the Administrator will provide Claim Forms to Class Members upon request. Claim Forms may be submitted on behalf of deceased or incapacitated Class Members by their Legally Authorized Representatives, who must provide reasonable proof of their authority, as determined solely by the Administrator. Any rights to settlement claim payments under this Agreement shall inure solely to the benefit of Class Members and are not transferable or assignable to others.

- C. To be considered for payment, a Claim Form must be completed, under the penalty of perjury and documented in accordance with subsection D, below, mailed to the address of the Administrator as specified in the Claim Form, and postmarked no later than ninety (90) days after the first date Notice is issued by the Settlement Administrator (the “Claim Deadline”). Claim Forms will not be considered for payment if they are postmarked more than ninety (90) days after the first date Notice is issued by the Settlement Administrator.
- D. To be considered for payment, a Class Member complete and return a Claim Form, as described in subsection C, above. That Claim Form must affirm that the information contained it (name and address of the Class Member, the address of the booting, the date of the booting, the license plate of the booted vehicle, and certification that the Class Member) correctly identifies an individual who meets the definition of a Settlement Class Member. The Claim Form must contain a signature affirming under the penalty of perjury as to all statements in the Claim Form.
- E. The Settlement Administrator shall be responsible for reviewing all claims to determine their validity. Any claim that is not substantially in compliance with the instructions on the Claim Form or the terms of this Settlement Agreement or is postmarked or submitted electronically later than the Claim Deadline shall be rejected. Following the Claim Deadline, the Settlement Administrator shall provide a report of all accepted or rejected claims to Defense Counsel and Class Counsel. Either Class Counsel or Defense Counsel may overrule the Settlement Administrator’s determination to reject a claim; Class Counsel and Defense counsel may overrule the Settlement Administrator’s determination to accept a claim only if both agree to that determination.
- F. In the event that any Claim Forms are defective, incomplete, inaccurate or evidence fraud, the Settlement Administrator may reject those Claim Forms without seeking additional information or providing an opportunity to cure the defect.

## **VIII. REQUESTS FOR EXCLUSION AND OBJECTIONS TO THE SETTLEMENT**

- A. Class Members who wish to exclude themselves from the Settlement Class must submit written requests for exclusion. To be effective, such a request must include the Class Member's name and address, a clear and unequivocal statement that the Class Member wishes to be excluded from the Settlement Class, and the signature of the Class Member or, in the case of a Class Member who is deceased or incapacitated only, the signature of the Legally Authorized Representative of the Class Member. The request must be mailed to the Administrator at the address provided in the Class Notice and must be postmarked no later than twenty (20) days prior to the Final Approval Hearing.
- B. The Administrator shall promptly log each request for exclusion that it receives and provide copies of the log and all such requests for exclusion to Defendant and Class Counsel as requested.
- C. Class Members who do not request exclusion from the Settlement Class may object to the Proposed Settlement. Class Members who choose to object to the Proposed Settlement must file written notices of intent to object. Any Class Member may appear at the Final Approval Hearing, in person or by counsel, and be heard to the extent allowed by the Court, applying applicable law, in opposition to the fairness, reasonableness and adequacy of the Proposed Settlement, and on the application for an award of attorneys' fees and costs. The right to object to the Proposed Settlement must be exercised individually by an individual Class Member, not as a member of a group or subclass and, except in the case of a deceased, minor, or incapacitated Class Member, not by the act of another person acting or purporting to act in a representative capacity.
- D. To be effective, a notice of intent to object to the Proposed Settlement must:
  - i. Contain a heading which includes the name of the case and case number;
  - ii. Provide the name, address, telephone number and signature of the Class Member filing the objection;

  - vii. State whether the objecting Class Member ("Objector") intends to appear at the Final Approval Hearing, either in person or through counsel.
- E. In addition, a notice of intent to object must contain the following information, if the Class Member or his/her or its attorney requests permission to speak at the Final Approval Hearing:
- (a) A detailed statement of the specific legal and factual basis for each and every objection;
  - (b) A list of any and all witnesses whom the Objector may call at the Final Approval Hearing, with the address of each witness and a summary of his or her proposed testimony;
  - (c) A detailed description of any and all evidence the Objector may offer at the Final Approval Hearing, including photocopies of any and all exhibits which the Objector may introduce at the Final Approval Hearing; and
  - (d) Documentary proof of membership in the Settlement Class.
- F. Any Class Member who does not file a timely notice of intent to object in accordance with this Section shall waive the right to object or to be heard at the Final Approval Hearing and shall be forever barred from making any objection to the Proposed Settlement. Class Members have the right to exclude themselves from the Proposed Settlement and pursue a separate and independent remedy against Defendant by complying with the exclusion provisions set forth in subsection A, above. Class Members who object to the Proposed Settlement shall remain Class Members and will have voluntarily waived their right to pursue an independent remedy against Defendant. To the extent any Class Member(s) objects to the Proposed Settlement, and such objection is overruled in whole or in part, such Class Member(s) will be forever bound by the Final Judgment of the Court. Class Members can avoid being bound by any judgment of the Court by complying with the exclusion provisions in subsection A, above.
- G. The Administrator shall give Defendant and Class Counsel a copy of each notice of intent to object received by the Administrator upon receipt.

After the completion of the mailing of Individual Notices as provided in Section VI, the publishing of Publication Notice as provided in Paragraph Section VI(H), the deadline for seeking exclusion from the Settlement Class as provided in Section VIII(A), and the deadline for filing a notice of objection to the Proposed Settlement as provided in Section VIII(D), Class Counsel will file a motion seeking the Court's final approval of the Settlement and Preliminary Approval Order at a Final Approval Hearing to be held at a time, date, and location that will be stated in the Individual Notice and Publication Notice, and in the order preliminarily approving the Proposed Settlement. Plaintiffs shall request the Court to enter a Final Judgment substantially in the form of the Final Order and Judgment Approving Settlement and Dismissing Action with Prejudice attached hereto as **Exhibit "5"** in the Lawsuits, which provides for:

- vii.   - xii. Neither Plaintiffs, Defendant,

nor any of the Parties' counsel, shall be liable for any act or omission of the Administrator.

Settlement Administrator shall review and assess all Claim Forms submitted by Class Members and make a determination whether such Claim Forms are timely, complete, and under the penalty of perjury. If a Claim Form is defective as to any of the requirements for validity other than timeliness of submission, that individual shall be given one opportunity to cure the defect(s). The Administrator will return by U.S. mail the defective Claim Form to the Class Member, with a notice prepared by the Administrator informing the Class Member of the defect(s). The Class Member must return, by U.S. mail, a valid Claim Form to the Claims Administrator postmarked no later than 21 calendar days after the date the defect notice was mailed by the Claims Administrator, even if this date is more than 35 days after the Effective Date. The Administrator must provide notice of the new deadline with the returned Claim Form and direct the Class Member to contact it or Class Counsel with any questions.
- C. Claim Forms that are not complete, under the penalty of perjury and timely received by the Administrator, either initially or as corrected per Paragraph 60, will be considered invalid claims, and shall not be considered for payment.
- D. All claims due shall be paid from the Class Settlement Fund pursuant to Section IV(D) within forty-five (45) days after the Effective Date or the date on which the Administrator approves the Claim, whichever is later.
- E. In the event that the Administrator determines the total amount to be paid out of the Class Settlement Fund, based on received Claims Forms, is likely to exceed 90% of the available funds, notice shall be provided to the Class Counsel and Defendant.

## **XI. COMMUNICATIONS WITH MEMBERS OF THE SETTLEMENT CLASS**

- A. The Individual Notice and Publication Notice shall list the law firm designated as Class Counsel and the name, address and telephone number of the Administrator. Communications with potential Class Members

regarding the Proposed Settlement shall primarily be handled through the Administrator, or Class Counsel. Nothing herein shall preclude Defendant or its agents from responding to inquiries it may receive regarding the Settlement, or to discussing matters unrelated to the Settlement with its customers. Nothing herein shall preclude Class Counsel from directly communicating with potential Class Members regarding the Proposed Settlement.

## **XII. REPRESENTATION OF OPT OUTS**

- A. Class Counsel and its firm agrees not to represent, encourage, solicit or otherwise assist, in any way whatsoever, including but not limited to referrals to other counsel, any person in requesting exclusion from the Settlement Class.

## **XIII. COSTS OF CLAIMS NOTICE AND ADMINISTRATION**

- A. Defendant's insurer shall pay all reasonable costs of notice to the Settlement Class, as described in Section VI above, including all costs of administration contemplated by this Stipulation and the cost of an Administrator selected by the Parties to assist in the administration of the settlement of this Action, provided that these sums shall come from the Settlement Fund.
- B. Included within the costs to administer the settlement, Defendant's insurers will pay the reasonable costs of printing, reproducing, and mailing the checks, forms, notices, and responses that they send in connection with the administration of the claims process described above. In addition, Defendant's insurers will pay the reasonable costs associated with the services of the Administrator to undertake any duties reasonably required to assist in the management of this Proposed Settlement, provided that these sums shall come from the Settlement Fund.
- C. Defendant's insurers obligation to pay the reasonable cost of claims notice and administration as set forth herein shall be included within, and not in addition to, the total Class Settlement Fund. Class administration fees shall not exceed Fifty Thousand Dollars (\$50,000).

## **XIV. ATTORNEYS' FEES AND CLASS REPRESENTATIVE FEE**

- A. Class Counsel's entitlement, if any, to an award of attorneys' fees, costs, and/or expenses, and Class Representative's entitlement to an Incentive Award, will be determined by the Court.
- B. Plaintiffs will file a motion with the Court prior to the Final Approval Hearing requesting an award of attorneys' fees, costs, and expenses payable to Class Counsel in a total amount not to exceed One Million and Seventy-Three Thousand Dollars (\$1,073,000) and Incentive Awards to

the Representative Plaintiffs not to exceed Five Thousand Dollars (\$5,000) each. At the Final Approval Hearing, Class Counsel will ask the Court to issue an order awarding attorneys' fees, costs, and expenses and the Incentive Awards to the Representative Plaintiffs, up to these respective amounts.

- C. Defendant will not object to Plaintiffs' motion requesting an award of attorneys' fees, costs, and expenses to be paid to Class Counsel in a total amount not to exceed One Million and Seventy-Three Thousand Dollars (\$1,073,000) and Incentive Awards to the Representative Plaintiffs not to exceed Five Thousand Dollars (\$5,000) each, in accordance with Paragraph 27 above, in addition to the amounts paid to Participating Class Members in accordance with Section IV, above, provided that these sums shall come from the Settlement Fund.
- D. All approved attorneys' fees, costs, and expenses shall be payable to Wetherington Law Firm, P.C. within thirty (30) business days after the Effective Date. Class Counsel hereby waives, discharges and releases Defendant of and from any and all other claims for attorneys' fees, costs, and expenses, whether by lien, statute, or otherwise, for legal submission rendered by counsel in connection with the Lawsuit.

**XV. DISAPPROVAL OR TERMINATION OF THE PROPOSED SETTLEMENT**

- A. Within twenty (20) days after notice of the occurrence of any of the following events, Defendant shall have the right, exercisable at its own discretion, to terminate this Agreement by delivering written notification of such election to Class Counsel, if:
  - i. The Court, or any appellate court(s), rejects, denies approval, disapproves, or modifies the Agreement or any portion of this Agreement that Defendant in its sole judgment and discretion believes to be material, including, but not limited to, the terms of the Settlement Class relief, the provisions relating to notice, the definition of the Settlement Class, or the Released Claims; or
  - ii. The Court, or any appellate court(s), does not enter or completely and unconditionally affirm any portion of the Agreement, Preliminary Approval Order or Final Judgment that Defendant in its sole judgment and discretion believes to be material; or
  - iii. If any regulatory agency or governmental agency should challenge any of the terms of the Agreement in any way that Defendant in its sole judgment and discretion believes to be materially adverse to Defendant's interests; or

- iv. The number of Persons who exclude themselves from the Settlement Class equals or exceeds 1% of the potential Class Members; or
  - v. Any financial obligation is imposed upon Defendant and/or its insurers in addition to and/or greater than those specifically accepted by Defendant and/or its insurers in this Agreement; or
- B. If an option to withdraw from and terminate this Agreement arises under subsection A, above, none of the Parties are required for any reason or under any circumstance to exercise that option.
- C. If the Proposed Settlement shall fail for any reason other than a breach by one of the Parties, or if this Agreement shall be terminated by Defendant pursuant to Subsection A, above:
- i. This Agreement and the Proposed Settlement shall have no further force or effect, and all proceedings that have taken place with regard to this Agreement and the Proposed Settlement shall be without prejudice to the rights and contentions of the parties hereto and any of the putative Class Members;
  - ii. This Agreement, all of its provisions (including, without limitation, any provisions regarding class certification), and all negotiations, statements and proceedings relating to them shall be without prejudice to the rights of any of the parties, each of whom shall be restored to their respective positions existing immediately before settlement negotiations and the execution of this Agreement;
  - iii. This Agreement, any provision of this Agreement (including without limitation the provisions regarding class certification), and the fact of this Agreement having been made, shall not be admissible or entered into evidence for any purpose whatsoever and shall not be subject to discovery;
  - iv. Any judgment or order entered in the Action after the date of this Agreement, including, without limitation, any order certifying the Settlement Class, will be vacated and will be without any force or effect in any action or proceeding. The parties hereto agree they will promptly file a joint motion with the Court to vacate all orders entered pursuant to the terms of this Agreement; and
  - v. The parties hereby agree they will not thereafter argue or raise a claim or defense, including, but not limited to, waiver, estoppel and other similar or related theories, that the Agreement and related pleadings and filings, any provision of this Agreement (including without limitation the provisions regarding class certification), the fact of this Agreement having been made, and

any settlement negotiations preclude Defendant from opposing certification or the claims in the Lawsuit, or any other proceeding.

D. Section XIX, below, shall survive any termination of this Agreement.

## **XVI. DENIAL OF LIABILITY**

- A. Defendant denies each and every material allegation in the Lawsuits. Defendant, along with its insurers, nonetheless have concluded that it is in their best interest that the Lawsuits be settled on the terms and conditions set forth in this Agreement. Defendant reached this conclusion after considering the factual and legal issues in the Lawsuits, the substantial benefits of a final resolution of those actions, and the expense that would be necessary to defend those actions through trial, appeal and any subsequent proceedings that may occur.
- B. This Agreement represents a compromise of disputed claims. As a result of the foregoing, Defendant enters into this Agreement without in any way admitting, conceding, or acknowledging any fault, liability, or wrongdoing of any kind. Neither this Agreement, nor any of its terms or provisions, nor any of the negotiations or proceedings connected with it, shall be construed as an admission or concession by Defendant of the truth of any of the allegations in the Lawsuits, or of any liability, fault, or wrongdoing of any kind on the part of Defendant. This Agreement shall not be offered or received in evidence in any action or proceeding in any court, administrative panel or proceeding, or other tribunal, as an admission or concession of liability or wrongdoing of any nature on the part of Defendant, nor as an admission or concession that the Lawsuits may properly be maintained as a litigation or arbitration class action. In the event the Proposed Settlement is not finally approved for any reason, Defendant shall retain the right to object to the maintenance of the Lawsuits and/or any other proceeding as a class action and to contest the Lawsuits and/or any other case on any ground.
- C. Neither this Agreement, nor the negotiations of the Class Settlement, nor the Class Settlement procedures, nor any act, statement or document related in any way to the Class Settlement negotiations or settlement procedures, nor any pleadings, or other document or action related in any way to the Agreement shall be (1) offered into evidence in the Lawsuits, or in any other case or proceeding in support of or in opposition to a motion to certify a contested class or (2) otherwise used in any case or proceeding whatsoever in support of or in opposition to a motion to certify a contested class.

**XVII. DISMISSAL OF ACTION AND RELEASE OF CLAIMS**

- A. Upon the Effective Date, Plaintiffs, all Class Members (including both Participating Class Members and all other Class Members), and their heirs, trustees, executors, administrators, principals, beneficiaries, representatives, agents, assigns and successors, and/or anyone claiming through them or acting or purporting to act for them or on their behalf, will be bound by the Final Judgment and conclusively deemed to have fully released with prejudice, acquitted and forever discharged, to the fullest extent permitted by law, all of the Released Persons from the Released Claims, and agree not to institute, maintain, or assert any Released Claims against the Released Persons.
- B. In addition to the claims released by the Settlement Classes, Named Plaintiffs, all Class Members (including both Participating Class Members and all other Class Members), and their heirs, trustees, executors, administrators, principals, beneficiaries, representatives, agents, assigns and successors, and/or anyone claiming through them or acting or purporting to act for them or on their behalf release any claim whether known or unknown, which Named Plaintiff, all Class Members (including both Participating Class Members and all other Class Members), and their heirs, trustees, executors, administrators, principals, beneficiaries, representatives, agents, assigns and successors, and/or anyone claiming through them or acting or purporting to act for them or on their behalf has ever had, or hereafter may claim to have, against the Released Persons, arising from the booting of vehicles by Defendant, and arising on or before the effective date of this Settlement.
- C. Nothing contained in this Agreement shall (a) preclude the enforcement of the terms of this Agreement or the Final Judgment or (b) preclude Plaintiff or Class Members from participating in the Claim Resolution Process.
- D. Upon entry of the Final Judgment described in Section IX, the Lawsuit will be dismissed with prejudice, and Plaintiffs, individually and on behalf of the Settlement Class, will release with prejudice all the Released Persons from all the Released Claims.

**XVIII. WAIVER OF PROVISIONS BARRING RELEASE OF UNKNOWN CLAIMS**

- A. The provisions of any state, federal, municipal, local, or territorial law or statute providing in substance that releases shall not extend to claims, demands, injuries, and/or damages that are unknown or unsuspected to exist at the time a settlement agreement is executed and/or approved by a court, are hereby expressly, knowingly, and voluntarily waived by and on behalf of Plaintiffs and all members of the Settlement Class.

## **XIX. CONFIDENTIALITY AGREEMENT**

- A. The following constitutes highly confidential and proprietary business information of Defendant as well as personal information of Class Members (the “Proprietary Information”): the license plate numbers, car information including VIN and tags, certain minimal credit card information, the type of data collected, and other data concerning individuals compiled by Defendant, Class Counsel, and/or the Administrator in effectuating the Proposed Settlement. The confidentiality of all Proprietary Information shall be protected from disclosure by Class Counsel and/or other attorneys for Plaintiffs in the Lawsuit to any persons other than those described in Paragraph 88 below.
- B. No persons other than the Parties, their counsel and clerical/administrative personnel employed by counsel, the Administrator, and such other persons as the Court may order, after hearing on notice to all counsel of record, shall be allowed access to any Proprietary Information.
- C. Within ninety (90) days after all eligible claims have been resolved and paid, Class Counsel shall destroy or return to counsel for Defendant all Proprietary Information, and all confidential documents, data or information, all copies thereof in their possession, custody, or control and any other confidential documents (exclusive of documents filed with the Court) provided by Defendant to Class Counsel in connection with this Agreement. Within one hundred (100) days after all eligible claims have been resolved and paid, Class Counsel shall deliver a letter to counsel for Defendant confirming its undertaking and compliance with this Paragraph. Further, the Parties agree that neither Class Counsel, nor anyone employed with, retained by, or otherwise associated with Class Counsel shall use any of this Proprietary Information or other confidential material in any other litigation, current or future, unless independently obtained through discovery or other procedures in such other litigation.

## **XX. RETENTION OF RECORDS**

- A. The Administrator, Defendant, and Class Counsel shall retain copies or images of all returned Individual Notices, Claim Forms, and correspondence relating thereto, for a period of up to one (1) year after the Effective Date. After this time, the Administrator, Defendant, and Class Counsel, may destroy documentary records they have in their possession. Nothing in this Agreement shall be construed to require the Administrator, Defendant, and Class Counsel, to retain records beyond their respective, discretionary, record retention policies.

## **XXI. EFFECTIVE DATE**

- A. The Effective Date of this Settlement shall be the first date on which all of the following statements are true:
- i. All parties have executed this Agreement;
  - ii. No party has terminated the Agreement;
  - iii. The Court has preliminarily approved this Agreement and the Proposed Settlement;
  - iv. The Court has entered a Final Judgment substantially in the form of **Exhibit “5”** hereto, approving this Agreement and the Proposed Settlement without material alteration, releasing all the Released Persons from all of the Released Claims, and dismissing the Lawsuit with prejudice and without leave to amend; and
  - v. Either (i) The time to file an appeal from the Final Judgment has expired without the filing of any appeal(s) or (ii) if any appeal has been taken from the Final Judgment, then the date on which all appeals therefrom, including petitions for rehearing, petitions for rehearing *en banc*, and petitions for certiorari, or any other form of judicial review have been finally disposed of in a manner that affirms the Final Judgment without material alteration.

## **XXII. MISCELLANEOUS PROVISIONS**

- A. The Parties hereto and their undersigned counsel agree to undertake their best efforts and to cooperate with each other to effectuate this Agreement and the terms of the Proposed Settlement, including taking all steps and efforts contemplated by this Agreement, and any other reasonable steps and efforts which may become necessary by order of the Court or otherwise. The Parties further agree to cooperate in respect to reasonable, agreed extensions to the timetable hereunder, subject to such Court approval as may be required.
- B. The undersigned counsel represent they are fully authorized to execute and enter into the terms and conditions of this Agreement on behalf of their respective clients.
- C. Except as otherwise provided, this Agreement contains the entire agreement of the Parties hereto and supersedes any prior agreements or understandings between them. All terms of this Agreement are contractual and not mere recitals and shall be construed as if drafted by all Parties hereto. The terms of this Agreement are and shall be binding upon each of the Parties hereto, upon each of their agents, attorneys, employees, successors, and assigns, and upon all other Persons claiming any interest

in the subject matter hereof through any of the Parties hereto, including any Class Member.

- D. This Agreement may be amended or modified only by a written instrument signed by counsel for all Parties. Amendments and modifications may be made without additional notice to the potential Class Members unless such notice is required by the Court.
- E. This Agreement shall be subject to, governed by, construed in light of, and enforced pursuant to the laws of the State of Georgia. Further, the Court in the Lawsuit shall retain exclusive and continuing jurisdiction over the actions, all Parties, and all Class Members to enforce the terms, conditions, and obligations of this Agreement.
- F. The exhibits to this Agreement are integral parts of the settlement and are hereby incorporated and made parts of this Agreement.
- G. To the extent permitted by law, this Agreement may be pleaded as a full and complete defense to and may be used as the basis for an injunction against, any action, suit or other proceeding which may be instituted, prosecuted or attempted in breach of this Agreement.
- H. Nothing contained in this Agreement or in any proceedings concerning the settlement of the Lawsuits shall in any way affect Defendant's rights to seek contribution, indemnity or any other relief from any person or entity not a party to the Lawsuits. All such rights and remedies are specifically retained and preserved.
- I. This Agreement shall be deemed to have been executed upon the last date of execution by all the undersigned parties and/or counsel.
- J. This Agreement may be executed in counterparts, each of which shall constitute an original.
- K. If any provision of this Settlement is declared by the Court to be invalid, void, or unenforceable, the remaining provisions of this Settlement will continue in full force and effect, unless the provision declared to be invalid, void, or unenforceable is material, at which point the Parties shall attempt to renegotiate the Settlement or, if that proves unavailing, either Party can terminate the Settlement Agreement without prejudice to any Party.
- L. Any inconsistency between this Agreement and the attached exhibits will be resolved in favor of this Agreement.

IN WITNESS WHEREOF, the Parties hereto have executed this Agreement on the dates

set forth below.

If final approval of the Proposed Settlement is not granted, this Order, including the above description of the Settlement Class and the preliminary appointment of the Class Representatives and Class Counsel, shall be automatically vacated. If the Settlement Agreement is terminated or is disapproved in whole or in part by this Court, any appellate court and/or any other court of review, or if any of the parties invoke their right to revoke or terminate their agreement to settle as provided in the Settlement Agreement, the fact that it was entered into shall not be offered, received or construed as an admission or as evidence for any purpose, including the “certifiability” of any litigation class.

4. Pending a final determination of whether the Proposed Settlement should be approved as fair, reasonable, and adequate, neither Plaintiffs, Class Counsel, nor any potential Class Member, whether directly, indirectly, representatively or in any other capacity, shall start,

join, continue, litigate or participate in or accept any benefit or relief from any other lawsuit, arbitration, or administrative or regulatory proceeding against Defendant that is based on, relates to, or involves any of the claims, facts, circumstances, or subject matters of this Action or the Settlement Agreement.

5. The parties have prepared the Individual Notice, Claim Form and Detailed Notice which have been submitted to the Court as Exhibits “2”, “3”, and “4” to the Settlement Agreement. As set forth herein, the Court has reviewed and approved the Individual Notice, Claim Form and Detailed Notice.

6. Atticus Administration, LLC (“Atticus”) is preliminarily appointed as the third-party administrator (the “Settlement Administrator.”). By accepting this appointment, Atticus agrees to be subject to the jurisdiction of this Court for any further proceedings relevant to the execution of this Order and the administration of the Settlement.

7. Within thirty (30) days of the entry of this Order, Defendant shall provide to Class Counsel and the Settlement Administrator those documents in its possession and readily obtainable that include the name, address, telephone number, license plate, make, model, year model, VIN, or tag data (hereinafter collectively referred to as “Identifying Data”) of each potential Class Member that Defendant has been able to identify, after conducting a reasonable search and making a reasonable inquiry of its records of bootings of Class Members during the Class Period. Any spreadsheets or other electronic documents will be provided in their native or similar machine-parsable format.

8. Within 30 days after receipt of the Identifying Data, the Settlement Administrator shall provide to Class Counsel and counsel for Defendant a list of the names and last known address of the potential Class Members the Settlement Administrator was able to identify

through use of the Identifying Data. Thereafter, the Settlement Administrator shall send a copy of the Individual Notice and a Claim Form via first-class mail to each potential Class Member who were identified through Identifying Data. Prior to mailing the Individual Notice and Claim Form, the Settlement Administrator will run these addresses once through the National Change of Address Database for a more current name and/or address for each potential Class Member. Upon completion of the updating efforts, the Settlement Administrator shall use its best efforts to complete the mailing of the Individual Notice and Claim Form to potential Class Members at least sixty (60) days before the scheduled Final Approval Hearing. The Individual Notice and Claim Form are hereby approved as to form and content by the Court and shall be substantially in the form attached to the Settlement Agreement as Exhibits “2” and “3”, unless otherwise modified by agreement of the parties and approved by the Court. The mailing to the Class Members that contains the Individual Notice will also include a copy of the Claim Form, in a format substantially similar to Exhibit “3” to the Settlement Agreement.

9. If any Individual Notice and/or Claim Form mailed to any potential Class Member in accordance with paragraph 8 above is returned to the Settlement Administrator as undeliverable, the Settlement Administrator will promptly log each Individual Notice and/or Claim Form that is returned as undeliverable and provide copies of the log to counsel for Defendant and Class Counsel, as requested. If such a mailing is returned with a forwarding address, the Settlement Administrator will forward the Individual Notice and Claim Form to that address. For the remaining returned mailings, if a search of a commercial database resources entity (e.g., Accurint, TransUnion, IDI, etc.) was not previously conducted for those mailings, such a search shall be conducted and those mailings shall be forwarded to any new address or phone number obtained through such a search; *provided however*, if a determination is made in

good faith by the Settlement Administrator that it is not possible to further update any particular Class Member's address(es) in sufficient time to re-post the Class Notice(s) at least thirty (30) days before the scheduled Final Approval Hearing, then the Settlement Administrator need not make any further efforts to provide further Individual Notice to such Person(s). The Court finds the procedures set forth in this paragraph and the preceding paragraph constitute reasonable and the best practicable notice under the circumstances and an appropriate and sufficient effort to locate current addresses of Class Members such that no additional efforts to do so shall be required. Upon request, the Settlement Administrator shall provide Class Counsel and/or counsel for Defendant such reasonable access to the notice process as they may need to monitor compliance with the notice campaign.

10. In addition to the Individual Notices mailed in accordance with paragraph 8, above, the Settlement Administrator shall establish a website and post on that website the Settlement Agreement and a Detailed Notice. Claims may also be asserted through the website established by the Settlement Administrator. The Detailed Notice is hereby approved by the Court as to form and content and shall be posted on the website in a form substantially similar to that attached to the Settlement Agreement as Exhibit "4."

11. Prior to the Final Approval Hearing provided for in paragraph 14, below, Class Counsel shall file with the Court and serve upon counsel for Defendant a declaration confirming dissemination of the Individual Notice, and posting of the website Detailed Notice in accordance with the terms of this Order.

12. All fees and expenses of providing the dissemination of Class Notice as set forth above and administration of the Settlement shall be borne by Atticus and reimbursed via

deduction from the Net Settlement Fund, but shall not exceed Fifty Thousand Dollars (\$50,000) as agreed in the Settlement Agreement.

13. The Court preliminarily finds that the dissemination of the Individual Notice under the terms and in the format provided for in this Order, Claim Form, and the Detailed Notice on a website as set forth above, constitutes the best notice practicable under the circumstances, is due and sufficient notice for all purposes to all persons entitled to such notice, and fully satisfies the requirements of the Georgia Civil Practice Act, the requirements of due process under the Georgia and United States Constitutions, and the requirements of any other applicable rules or law.

14. The Court will hold a Final Approval Hearing to consider the fairness, reasonableness, and adequacy of the Proposed Settlement at \_\_\_\_\_.m. \_\_\_\_\_, 202\_, in Courtroom \_\_\_\_\_ of the Fulton County Courthouse, as shall be set forth in the Individual Notice and Detailed Notice. During the Final Approval Hearing, the Court will consider whether the Proposed Settlement described in the Settlement Agreement, including the proposed Claim Payments, the Attorneys' Fee Award to Class Counsel, and any Incentive Award(s) to the Class Representatives, should be approved as fair, reasonable, and adequate, and whether the Court should enter the proposed Final Judgment approving the Proposed Settlement and dismissing this action on the merits, with prejudice, and without leave to amend. Upon a showing of good cause, the Final Approval Hearing may be postponed, adjourned or rescheduled by order of the Court without further notice to the members of the Settlement Class.

15. Class Members who wish to exclude themselves from the Settlement Class must submit written requests for exclusion to the Settlement Administrator. To be effective, such a request must include: the above-referenced case number, the Class Member's full name, address,

and telephone number; a clear and unequivocal statement that the Class Member wishes to be excluded from the Settlement Class; and the signature of the Class Member or, in the case of a Class Member who is deceased or incapacitated only, the signature of the Legally Authorized Representative of the Class Member. The Opt-Out request must be mailed to the Settlement Administrator at the address provided in the Class Notice and must be postmarked no later than thirty (30) days prior to the Final Approval Hearing.

16. Prior to the Final Approval Hearing, Class Counsel shall file with the Court and serve upon counsel for Defendant a declaration reporting the number and status of any Opt-Outs/requests for exclusion.

17. Potential Class Members who submit timely and valid requests for exclusion in the manner set forth in the Individual Notice and Detailed Notice shall be excluded from the Settlement Class. Such persons shall have no rights under the Proposed Settlement, shall not share in any distribution of funds under the Proposed Settlement, and shall not be bound by the Proposed Settlement or by any Final Judgment approving the Proposed Settlement.

18. All members of the Settlement Class who do not timely request exclusion in the manner set forth in the Individual Notice and Detailed Notice shall be bound by any Final Judgment entered, and shall be barred and enjoined, now and in the future, from asserting any of the Released Claims, against any Released Persons. Upon entry of a Final Judgment approving the Proposed Settlement, all members of the Settlement Class shall be conclusively deemed to have fully and finally released all of the Released Persons from any and all Released Claims.

19. Settlement Class Members who do not request exclusion from the Settlement Class may object to the Proposed Settlement. Settlement Class Members who choose to object to the Proposed Settlement may file a written objection, as described below. Any Class Member

who timely files an objection with the Court may appear at the Final Approval Hearing, in person or by counsel, and be heard to the extent allowed by the Court, applying applicable law, in opposition to the fairness, reasonableness and adequacy of the Proposed Settlement, and on the application for an award of attorneys' fees and costs. The right to object to the Proposed Settlement must be exercised individually by an individual Settlement Class Member, not as a member of a group or subclass and, except in the case of a deceased, minor, or incapacitated Settlement Class Member, not by the act of another person acting or purporting to act in a representative capacity. To be effective, an objection to the Proposed Settlement must:

- (a) Contain a heading which includes the name of the case and case number;
- (b) Provide the name, address, telephone number and signature of the Settlement Class Member filing the objection;
- (c) Indicate the specific reasons why the Settlement Class Member objects to the Proposed Settlement;
- (d) Be filed with the Clerk of the Court not later than thirty (30) days prior to the Final Approval Hearing, with a copy sent to the Settlement Administrator by first-class mail, and postmarked no later than thirty (30) days prior to the Final Approval Hearing;
- (e) Contain the name, address, bar number and telephone number of the objecting Settlement Class Member's counsel, if represented by an attorney. If the Settlement Class Member is represented by an attorney, he/she or it must comply with all applicable Georgia laws and rules for filing pleadings and documents in Georgia Courts; and
- (f) State whether the objecting Settlement Class Member ("Objector") intends to appear at the Final Approval Hearing, either in person or through counsel.

In addition, an objection must contain the following additional information, if the Settlement Class Members or his/her or its attorney requests permission to appear at the Final Approval Hearing:

- (i) A detailed statement of the specific legal and factual basis for each and every objection;

- (ii) A list of any and all witnesses whom the Objector may call at the Final Approval Hearing, with the address of each witness and a summary of his or her proposed testimony;
- (iii) A detailed description of any and all evidence the Objector may offer at the Final Approval Hearing, including photocopies of any and all exhibits which the Objector may introduce at the Final Approval Hearing;
- (iv) A list of the legal authority the Objector will present at the hearing; and
- (v) Documentary proof of membership in the Settlement Class.

20. The Class Representatives and Class Counsel agree, and the Court finds, that any representation, encouragement, solicitation or other assistance, including but not limited to referral to other counsel, to any person seeking exclusion from the Settlement Class, or any other person seeking to litigate with Defendant over any of the Released Claims in this matter, prior to the Final Approval Hearing, could place Class Counsel and/or Class Representatives in a conflict of interest with the Settlement Class. Accordingly, Class Counsel and the Class Representatives and their attorneys shall not represent, encourage, solicit or otherwise assist, in any way whatsoever, including but not limited to referrals to other counsel, any person requesting exclusion from the Settlement Class or objecting to the Proposed Settlement.

21. The Proposed Settlement is hereby preliminarily approved as fair, reasonable, adequate, and in the best interests of the Class Members. However, it is not to be deemed an admission of liability or fault by Defendant or by any other person, or a finding of the validity of any claims asserted in the case, of any wrongdoing or of any violation of law by Defendant, or an admission by Defendant that the case should or could otherwise be certified as a class action. The Proposed Settlement and any documents, attachments or other materials submitted to the Court in furtherance of said Proposed Settlement shall not be offered or received in evidence in any action or proceeding in any court, administrative panel or proceeding, or other tribunal, as an

admission or concession of liability or wrongdoing of any nature on the part of Defendant. In the event the Proposed Settlement is not finally approved for any reason, Defendant shall retain the right to object to the maintenance of the case and/or any other case as a class action and to contest the case and/or any other case on any grounds.

22. Upon a showing of good cause, the Court may extend any of the deadlines set forth in this Order without further notice to the Settlement Class.

## BASIC INFORMATION

### 1. Why was this notice issued?

A Court authorized this notice because you have a right to know about a proposed settlement of these class actions, including the right to claim money, and about all of your options, before the Court decides whether to give “final approval” to the settlement. If the Court approves the parties’ Settlement Agreement, and after any appeals are resolved, payments will be made to those who qualify and submit a valid claim. This notice explains the lawsuit, the settlement, your legal rights, what benefits are available, who may be eligible for them, and how to get them.

Judge Eric A. Richardson in the State Court of Fulton County, Georgia, is overseeing these class actions. The cases are known as *Atlanta Movers, LLC et al. v. Buckhead Parking*, Civil Action No. 16EV005868, and *Bowman v. Buckhead Parking*, Civil Action No. 20EV001750. The people who sued are called the “Plaintiffs,” and the company they sued is called the “Defendant.”

### 2. What are these lawsuits about?

The lawsuits claim that Buckhead Parking unlawfully booted vehicles from lots in Marietta, Georgia, Union City, Georgia, and outside Atlanta, Decatur, Sandy Springs, Union City, Doraville, Hapeville, Morrow, Riverdale, and Smyrna. Buckhead Parking has maintained that it lawfully and properly booted vehicles, and has denied all allegations that it acted wrongfully or unlawfully.

### 3. What is booting?

Booting is the method of attaching a device to a wheel or tire of a parked vehicle to prohibit the vehicle’s movement or operation. The device is also known as a “boot.”

### 4. Why is this a class action?

In a class action, one or more people called “Class Representatives” (in this case Atlanta Movers, LLC, Joseph Ellis, Gary Cockroft, Javon Houpe, Dalyn White, Jarvis Gissentanner, Michael Stewart, John Barker, Dale Bowman) sue on behalf of people who have similar claims. All these people are a “Class” or “Class Members.” One court resolves the issues for all Class Members, except for those who exclude themselves from the Class.

### 5. Why is there a settlement?

**The Court did not decide in favor of the Plaintiffs or Buckhead Parking, and has not found that Buckhead Parking did anything wrong.** Instead, both sides agreed to settle. That way, they avoid the cost of a trial and potentially an appeal, and the people who qualify will get compensation. The Class Representatives and their attorneys think the settlement is best for all Class Members. **The settlement does not mean that Buckhead Parking did anything wrong, no trial has occurred, and no merits determinations have been made.**

This series of questions may also help you determine if you are a Class Member. Please answer all of the questions in order.

<b>Question</b>	<b>Yes</b>	<b>No</b>

9. I'm still not sure I'm included.

If you are not sure whether you are included in the Class, you should submit a notarized claim form before \_\_\_\_\_, 202\_.

## THE SETTLEMENT BENEFITS—WHAT YOU GET IF YOU QUALIFY

10. What does the settlement provide?

The settlement will pay to compensate eligible Class Members for Buckhead Parking's alleged unlawful booting of vehicles in Marietta, Georgia, Union, Georgia, and outside of Atlanta, Decatur, Sandy Springs, Union City, Doraville, Hapeville, Morrow, Riverdale, and Smyrna.

11. How do I qualify for a payment?

To qualify for a payment you must have had your vehicle booted by Buckhead Parking in Marietta, Georgia from November 14, 2014, through present; Union City, Georgia from February 9, 2012, through the present, or outside of Atlanta, Decatur, Sandy Springs, Union City, Doraville, Hapeville, Morrow, Riverdale, and Smyrna from January 25, 2014, through the present. You may qualify for a payment: if you were driving the vehicle that was booted even if you did not own it.

12. How much will payments be?

Payments to eligible Class Members will be no more than \$400.00 per claim in Union City and outside of Atlanta, Decatur, Sandy Springs, Union City, Doraville, Hapeville, Morrow, Riverdale, and Smyrna and/or \$60.00 per claim in Marietta, and is subject to revision based on the amount of claims submitted. If the amount of claims submitted exceeds the subclass settlement fund, the settlement amount per class member will amount to the total number of submitted claims divided by the applicable subclass settlement fund.

## HOW TO GET A PAYMENT—SUBMITTING A CLAIM FORM

13. How can I get a payment?

To ask for a payment, you must complete and timely submit a notarized claim form. You can get a claim form at [BOOTINGCLASSACTION.COM]. You'll need to attach any documents that you have showing that: you owned or drove a vehicle that was booted by Buckhead Parking during the class period, or that you paid to have a boot removed by Buckhead Parking; that the vehicle was booted in Marietta, Georgia from November 14, 2014, through present; Union City, Georgia from February 9, 2012, through the present, or outside of Atlanta, Decatur, Sandy Springs, Union City, Doraville, Hapeville, Morrow, Riverdale, and Smyrna from January 25, 2014, through the present.

See Section 3 of the claim form for more details on the required documentation. Please read the instructions carefully, fill out the claim form, have it notarized, and mail it postmarked no later than, \_\_\_\_\_, 202\_ to:

Buckhead Parking Settlement Claims  
Atticus Administration LLC  
1250 Northland Drive, Suite 240  
Mendota Heights, MN 55120

14. When will I get my payment?

The payments will be mailed to eligible Class Members who send in valid and notarized claim forms on time, after the Court grants “final approval” of the settlement, any appeals are resolved, and the claims administration process described in paragraphs 53-55 of the Settlement Agreement is completed. If Judge Richardson approves the settlement after a hearing on \_\_\_\_\_ (see the section “The Court’s Settlement Final Approval Hearing” below), there may be appeals. It’s always uncertain whether these appeals can be resolved, and resolving them can take time. Please be patient.

15. What if I disagree with my eligibility or the amount of my payment?

There is a process in the settlement to resolve disagreements between you and Buckhead Parking over whether you are eligible and how much money you should get. You will get further details in the letter you receive about your settlement claim. The Settlement Agreement available at [BOOTINGCLASSACTION.COM] also provides more information.

16. What am I giving up to get a payment or stay in the Class?

Unless you exclude yourself, you are staying in the Class, and that means that you cannot individually sue Buckhead Parking over the claims settled in these cases. It also means all of the Court’s orders will apply to you and legally bind you. If you submit a claim form, or simply stay in the Class, you will agree to “release and discharge” Buckhead Parking as described in Section V of the Settlement Agreement. A complete copy of the Settlement Agreement can be obtained at [BOOTINGCLASSACTION.COM]. The Settlement Agreement specifically describes the released claims in necessarily accurate legal terminology. Talk to Class Counsel (See the section on “The Lawyers Representing You”) or your own lawyer if you have questions about the released claims or what they mean.

**EXCLUDING YOURSELF FROM THE SETTLEMENT**

If you don’t want a payment from this settlement, but you want to keep the right to individually sue Buckhead Parking about the issues in these cases, then you must take steps to get out. This is called excluding yourself from—or is sometimes referred to as “opting out” of—the Settlement Class.

17. How do I get out of the settlement?

To exclude yourself from the settlement, you must send a letter by mail saying that you want to be excluded from the Buckhead Parking settlement. You must include the case number, your full name, address, telephone number, and your signature. You must also include a clear statement that you wish to be excluded from the settlement class. You must mail your request for exclusion postmarked by \_\_\_\_\_ to:

Buckhead Parking Settlement Claims  
Atticus Administration LLC  
1250 Northland Drive, Suite 240  
Mendota Heights, MN 55120

You cannot exclude yourself on the phone, by email, or at the website.

18. If I don’t exclude myself, can I sue Buckhead Parking for the same thing later?

No. Unless you exclude yourself, you give up any right to individually sue Buckhead Parking for the claims this settlement resolves. You must exclude yourself from this Class to individually sue

Buckhead Parking over the claims resolved by this settlement. Remember, the exclusion deadline is \_\_\_\_\_, 202\_.

19. If I exclude myself, can I get a payment from this settlement?

No. If you exclude yourself, do not submit a claim form to ask for a payment.

## **THE LAWYERS REPRESENTING YOU**

20. Do I have a lawyer in this case?

The Court appointed the Wetherington Law Firm, P.C. to represent you and other Class Members as “Class Counsel.” You do not have to pay Class Counsel. If you want to be represented by your own lawyer, and have that lawyer appear in court for you in this case, you may hire one at your own expense.

21. How will the lawyers be paid?

Class Counsel will ask the Court for up to \$1,073,000 to cover attorneys’ fees and reimbursement of their expenses. Class Counsel will also ask that \$45,000 be awarded to Class Representatives for representing the Class. Buckhead Parking has agreed not to oppose the request for fees and expenses up to the amount above. The Court may award less than this amount. Buckhead Parking will separately pay the fees and expenses the Court orders. These payments will not reduce the amount distributed to Class Members. Buckhead Parking will also separately pay the costs to administer the settlement.

## **OBJECTING TO THE SETTLEMENT**

You can tell the Court if you don’t agree with the settlement or some part of it.

22. How do I tell the Court if I don’t agree with the settlement?

If you don’t want the Court to approve the settlement you must file a written objection in the case with the State Court of Fulton County, Georgia, and send a copy to the Administrator as noted below. You must include the name of the case, Buckhead Parking, your full name, address, telephone number, your signature, the specific reasons why you object to the settlement, and a statement as to whether you intend to appear at the Settlement Final Approval Hearing in person or through counsel. If you do intend to appear at the Settlement Final Approval Hearing to object to the Settlement, you must also provide with your written objection a detailed statement of the specific legal and factual basis for each objection, a list of any witnesses you will call at the hearing with each witness’ address and summary of the witness’ testimony, a detailed description of all evidence you will offer at the hearing with copies of the exhibits attached, a list of the legal authority you will present at the hearing, and documentary proof of your membership in the Class. You or your lawyer may appear at the Settlement Final Approval Hearing if you have filed a written objection as provided above. (See the section on the “Court’s Settlement Final Approval Hearing” below). If you have a lawyer file an objection for you he or she must follow all Georgia rules and you must list the attorney’s name, address, bar number and telephone number in the written objection filed with the Court.

File the objection with the Clerk of the Court at the address below by _____. Note: You may send it by mail, but it must be received and filed by the Clerk by this date:	Mail a copy of the objection to the Administrator at the following address so that it is postmarked by _____:
<b>Court</b>	<b>Administrator</b>
State Court of Fulton County 185 Central Avenue, SW Atlanta, Georgia 30303	Atticus Administration LLC 1250 Northland Drive, Suite 240 Mendota Heights, MN 55120

**23. What’s the difference between objecting and asking to be excluded?**

Objecting is simply telling the Court you don’t like something about the settlement. You can object only if you stay in the Class. Excluding yourself is telling the Court that you do not want to be part of the Class. If you exclude yourself, you have no basis to object because the case no longer affects you. If you object, and the Court approves the settlement anyway, you will still be legally bound by the result.

**THE COURT’S SETTLEMENT FINAL APPROVAL HEARING**

The Court will hold a hearing to decide whether to approve the settlement. You may attend and you may ask to speak, but you don’t have to.

**24. When and where will the Court decide whether to approve the settlement?**

The Court has scheduled a Settlement Final Approval Hearing at \_\_\_\_\_ .m., on \_\_\_\_\_, at the Fulton County Courthouse, Atlanta, Georgia. At this hearing, the Court will consider whether the settlement is fair, reasonable, and adequate. If there are objections, the Court will consider them. Judge Richardson may listen to people who have asked to speak about an objection according to Question 27, above. The Court may also decide how much to award Class Counsel as fees for representing the Class and whether and how much to award the Class Representative for representing the Class. At or after the hearing, the Court will decide whether to approve the settlement. It is not known how long this decision will take.

**25. Do I have to come to the hearing?**

If you filed a written objection, you or your lawyer acting on your behalf may attend the Settlement Final Approval Hearing, but you are not required to do so. Class Counsel will answer any questions Judge Richardson may have. But, you are welcome to come at your own expense. You may also pay your own lawyer to attend, but it’s not necessary, unless you choose to have a lawyer appear on your behalf to object to the settlement.

**26. May I speak at the hearing?**

If you submitted a proper written objection to the settlement, you or your lawyer acting on your behalf may speak at the Settlement Final Approval Hearing. You cannot speak at the Hearing if you exclude yourself.

## **IF YOU DO NOTHING**

27. What happens if I do nothing at all?

If you do nothing, you'll get no payment from this settlement. But, unless you exclude yourself, you won't be able to individually sue Buckhead Parking for the claims resolved in this case.

## **GETTING MORE INFORMATION**

28. How do I get more information about the settlement?

This notice summarizes the proposed settlement. More details are in the Settlement Agreement. If you have questions, visit [[BOOTINGCLASSACTION.COM](http://BOOTINGCLASSACTION.COM)]. Do not contact the Court.

ATTORNEYS' FEES, AWARDED CLASS REPRESENTATIVES INCENTIVE FEE,  
AND DISMISSING ACTIONS WITH PREJUDICE**

---

---

On this \_\_\_\_ day of \_\_\_\_\_, 202\_, the Court considered the Joint Motion for Final Approval of Stipulation of Settlement (“Joint Motion for Final Approval”) and Plaintiffs’ Motion for Fees.

The Joint Motion for Final Approval requests (a) certification of the class for settlement purposes only; (b) final approval of the Proposed Settlement preliminarily approved by this Court on \_\_\_\_\_, 202\_ and memorialized in the Stipulation of Settlement and Order Preliminarily Certifying Settlement Class and Approving Class Settlement; and (c) dismissal with prejudice of Plaintiffs’ claims, both individually and as a class, against Defendant. Class

Counsel's Application for Fees requests this Court award attorneys' fees and reimbursement of expenses to Class Counsel and incentive awards to the Class Representatives. In connection with the Joint Motion for Final Approval and Class Counsel's Application for Fees, the Court considered all matters of record, including, but not limited to, said pleadings, all exhibits and affidavits thereto; Plaintiffs' Submission of Evidence, all exhibits and attachments thereto, which were admitted into evidence for all purposes at the Settlement Final Approval Hearing; all pleadings filed in this matter; and arguments of counsel.

NOW, THEREFORE, the Court, having read and considered all submissions made in connection with the Joint Motion for Final Approval and Class Counsel's Application for Fees, and having reviewed and considered the files and records herein, and all other evidence submitted, finds and concludes as follows:

1. Plaintiffs and Defendant have executed and filed a Settlement Agreement and exhibits thereto with the Court on \_\_\_\_\_, 202\_. The Settlement Agreement is hereby incorporated by reference in this Order and all terms defined in the Settlement Agreement will have the same meanings in this Order.

2. The Settlement Agreement provides for the settlement of this Action with Defendant on behalf of the representative Plaintiffs and the members of the Settlement Class, subject to final approval by the Court. The Settlement Agreement provides that, in exchange for the releases described in the Settlement Agreement and this Final Judgment, Buckhead Parking will provide a total Settlement Consideration including settlement payments to all qualifying members of the Settlement Class who submit approved claims.

3. On \_\_\_\_\_, 202\_, the Court held a Preliminary Approval Hearing to consider the preliminary approval of the Settlement Agreement. The Court, on

\_\_\_\_\_, 202\_, entered the Order Preliminarily Certifying Settlement Class and Approving Class Settlement (“Preliminary Approval Order”), preliminarily approving the Stipulation, preliminarily certifying, for settlement purposes only, this Action as a class action, and scheduling a hearing for final approval of the settlement for \_\_\_\_\_, 202\_ at \_\_\_\_m. (“Final Approval Hearing”) (a) to determine whether the Proposed Settlement of the Actions on the terms and conditions provided for in the Stipulation is fair, reasonable and adequate and should be finally approved by the Court; (b) to determine whether a final judgment should be entered herein; and (c) to consider Class Counsel’s Application for Fees.

4. The Court ordered the Individual Notice and Claim Form, in the forms attached to the Settlement Agreement as Exhibits “2” and “3”, be mailed by the Settlement Administrator, \_\_\_\_\_, by first-class mail, postage prepaid, on or before \_\_\_\_\_, 202\_ (the “Notice Mailing Date”) to all potential Class Members whose names were ascertained by Buckhead Parking and Class Counsel through a reasonable search of Buckhead Parking’s Identifying Data at their last known address with address updating and verification where reasonably available, and that the website be implemented on or before the Notice Mailing Date.

5. The parties and the Settlement Administrator have satisfactorily demonstrated that such Class Notice was given in accordance with the terms of the Preliminary Approval Order.

6. In accordance with the Individual Notice, the Final Approval Hearing was duly held before this Court on \_\_\_\_\_, 202\_. At the Final Approval Hearing, the Court considered (a) whether certification for settlement purposes only was appropriate under Rule 23 of the Georgia Civil Practice Act (O.C.G.A. § 9-11-23 – “Rule 23”); (b) the fairness, reasonableness, and the adequacy of the Stipulation; and (c) the fairness and reasonableness of Class Counsel’s Application for Attorneys’ Fees under applicable law. At the Final Approval

Hearing, the Court fulfilled its duty to independently evaluate the fairness, reasonableness, and adequacy of the Stipulation and Class Counsel's Application for Attorneys' Fees by considering not only the pleadings and arguments of Plaintiffs, Class Counsel and Buckhead Parking, but also by rigorously and independently evaluating the Stipulation and Class Counsel's Application for Fees on behalf of the absent class members, and as such, the Court considered any argument that could reasonably be made against approval of the Stipulation and Class Counsel's Application for Attorneys' Fees, even if such argument was not actually presented to the Court by pleading or oral argument.

7. By performing this independent analysis of the Joint Motion for Final Approval and Class Counsel's Application for Fees, the Court has considered and protected the interests of all absent Class Members under Rule 23.

8. The Individual Notice and Detailed Notice advised Class Members of the method by which a Class Member could request exclusion from the Settlement and pursue an independent legal remedy against Defendant. All Class Members had the absolute right to opt out and pursue an individual lawsuit against Defendant.

9. Any Class Member who failed to request exclusion under the terms of the Individual Notice and Detailed Notice voluntarily waived the right to pursue an independent remedy against Defendant.

10. The Individual Notice and Detailed Notice advised Class Members of the method by which a Class Member could properly file objections and request to be heard at the Final Approval Hearing. The Individual Notice and Detailed Notice also advised Class Members that they could remain a member of the class and assert objections, if desired, to the settlement at the Final Approval Hearing.

11. [The Court heard and considered any objections that were presented by Objectors at the Final Approval Hearing and hereby OVERRULES all such objections].

12. On or about \_\_\_\_\_, 202\_, Plaintiffs and Defendant applied to the Court for final approval of the terms of the Proposed Settlement and for the entry of this Final Judgment. In support of that Application, Plaintiffs submitted, among other things, evidence concerning the dissemination and adequacy of Class Notice, evidence regarding the names of potential Class Members who have submitted requests for exclusion from the Settlement Class, evidence regarding the negotiation of the Stipulation, evidence regarding the fairness, reasonableness, and adequacy of the substantive terms of the Stipulation, and evidence regarding the fairness, reasonableness and adequacy of Class Counsel's Application for Fees.

13. Plaintiffs offered into evidence at the Final Approval Hearing the following evidence in support of the Motion for Final Approval and Class Counsel's Application for Fees: Declaration of Class Administrator.

14. As part of its Preliminary Approval Order, the Court certified for settlement purposes Settlement Class defined as follows:

All individuals who meet at least one of the following criteria:

- i. All persons who have had a vehicle in his or her possession that was booted by Buckhead Parking and paid fines for removal of said device within the City of Union City from February 9, 2012, through present ("Atlanta Movers Subclass");
- ii. Excluding the cities of Atlanta, Decatur, Sandy Springs, Union City, Doraville, Hapeville, Morrow, Riverdale, and Smyrna, all persons who have been booted by, or at the request of, Buckhead Parking at any location within the State of Georgia and who have paid fines for the removal of said device, from January 25, 2014, through the present ("Barker-Stewart Subclass"); and
- iii. All persons who have had a vehicle in his or her possession that was booted by Buckhead Parking and paid fines for removal of said device

within the City of Marietta from November 14, 2014, through present (“Bowman Subclass”).

Excluded from the Settlement Class are: (1) Defendant, and any employee, officer, or director of Defendant; (2) Any employees, officers, or directors of Defendant’s insurers; (3) members of the judiciary and their staff to whom these actions are assigned; and (4) Plaintiffs’ counsel.

The Court hereby affirms this definition of the Settlement Class for purposes of this Final Judgment and certifies this Action, for settlement purposes only, as a Class Action. In so doing, the Court finds, for settlement purposes only, the Action meets all the requirements of Rule 23, due process and all other applicable rules and law and can therefore be certified as a settlement class action.

15. On \_\_\_\_\_, 202\_, the parties provided evidence that the Individual Notice, Detailed Notice, and website, all of which informed members of the Settlement Class of the terms of the Proposed Settlement, of their opportunity to request exclusion from the Settlement Class, and of their opportunity to object to the terms of the Stipulation, were disseminated in accordance with the Preliminary Approval Order.

16. Specifically, the Court received and admitted a Declaration from \_\_\_\_\_, setting forth the scope and results of the notice campaign. Additionally, the Court was provided with testimony at the Final Approval Hearing concerning the adequacy of the notice program.

17. Based on the Court’s review of the evidence admitted and argument of counsel, the Court finds and concludes the Individual Notice and Detailed Notice as disseminated to members of the Settlement Class in accordance with provisions of the Preliminary Approval Order, together with the posting of the Stipulation, Individual Notice, Detailed Notice, Claim

Form, Preliminary Approval Order, and frequently asked questions on the settlement website: (i) constituted the best notice practicable; (ii) were reasonably calculated to apprise potential members of the Settlement Class of the pendency of the Actions, their right to object or exclude themselves from the Proposed Settlement and to appear at the Final Approval Hearing, and their right to seek monetary relief; (iii) were reasonable and constitute due, adequate, and sufficient notice to all Persons entitled to receive notice; and (iv) met all requirements of the Georgia Civil Practice Act and the requirements of due process under the Georgia and United States Constitutions, and requirements of any other applicable rules or law.

18. Accordingly, the Individual Notice and Detailed Notice as disseminated are finally approved as fair, reasonable, and adequate. The Court finds and concludes that due and adequate notice of the pendency of these Actions and of the Settlement Agreement has been provided to members of the Settlement Class, and the Court further finds and concludes that the notice program described in the Preliminary Approval Order and completed by the parties complied fully with the requirements of Rule 23, the requirements of due process under the Georgia and United States Constitutions, and the requirements of any other applicable rules or law. The Court further finds that the notice campaign undertaken concisely and clearly states in plain, easily understood language:

- (a) the nature of the action;
- (b) the definition of the class certified;
- (c) the class claims, issues or defenses;
- (d) that a Class Member may object to the settlement;
- (e) that a Class Member may enter an appearance and participate at the Settlement Final Approval Hearing in person or through counsel if the member so desires;

- (f) that the Court will exclude from the class any member who requests exclusion, stating when and how members may elect to be excluded;
- (g) the date and time of the Settlement Final Approval Hearing; and
- (h) the binding effect of the class judgment on Class Members.

19. Having admitted and reviewed the evidence at the Final Approval Hearing concerning the success of the notice campaign, the Court finds that it is unnecessary to afford any additional opportunity to request exclusion to individual Class Members who had an earlier opportunity to request exclusion, but did not do so.

20. The Final Approval Hearing and the evidence before the Court clearly support a finding that the Settlement Agreement was entered into in good faith between the Plaintiffs and Defendant, and the Court does hereby so find.

21. The Court finds that the Settlement Agreement is the result of a good faith arm's length negotiation by the parties hereto. In addition, the Court finds that approval of the Stipulation and the Proposed Settlement embodied therein will result in substantial savings in time and resources to the Court and the litigants and will further the interests of justice. Further, the Court finds that the Settlement Agreement is fair, reasonable, and adequate to members of the Settlement Class based on formal and informal discovery, due diligence, and the absence of material objections sufficient to deny approval.

22. The settlement of this Action on the terms and conditions set forth in the Settlement Agreement is approved and confirmed in all respects as fair, reasonable, and adequate and in the best interest of the Settlement Class and Settlement Class Members, especially in light of the benefits to the Settlement Class and the costs and risks associated with the continued prosecution, trial and possible appeal of this complex litigation.

23. The Court, in its evaluation of the fairness, reasonableness, and adequacy of the Stipulation and Class Counsel's Application for Fees, considered all objections that were filed or that could have been raised by any absent Class Member.

24. Settlement Class Members are not required under the Stipulation to submit records or documents they do not possess. Settlement Class Members are not burdened or discouraged from filing their claims because they are required to provide documents in their possession along with their Claim Form. Instead, the submission of documentary evidence was discretionary.

25. The manner in which documents in Buckhead Parking's possession are used to evaluate and process claims is fair and reasonable based upon the terms of the Settlement Agreement and evidence presented at the Final Approval Hearing. The claim process as set forth in the Stipulation is fair, reasonable and adequate to both Class Members and Buckhead Parking. Any Class Member who did not submit a Claim Form in compliance with the claims process set forth in Section VIII of the Stipulation or, alternatively, who did not request exclusion from the Settlement Class in accordance with Section XV of the Stipulation, is forever barred from asserting a Released Claim<sup>1</sup> against a Released Person<sup>2</sup> in any other action or proceeding.

---

<sup>1</sup> The term "Released Claims" as used herein and in the Settlement Agreement means and includes any and all known claims, rights, demands, actions, causes of action, allegations, or suits of whatever kind or nature, whether *ex contractu* or *ex delicto*, debts, liens, contracts, liabilities, agreements, attorneys' fees, costs, interest, expenses, or losses (including actual, consequential, statutory and/or punitive or exemplary damages) arising from or in any way related to: any acts which have been alleged or which could have been alleged in the Actions by Plaintiffs on behalf of themselves or on behalf of the Settlement Class against Defendant arising in contract, extra-contractual or tort, common law or equity, or federal, state or local law, statute ordinance, rule or regulation, and arise from or relate to booting of vehicles in Marietta and/or Union City, Georgia by Buckhead Parking as defined in the Settlement Class. The Released Claims do not include any claim for enforcement of the contemplated Settlement Agreement and/or Final Order and Judgment.

<sup>2</sup> The term "Released Persons" as used herein and in the Settlement Agreement means Defendant and their past or present subsidiaries, parents, and/or affiliates, successors and predecessors in interest,

26. Class Counsel has requested \$1,073,000 in attorney's fees (constituting 37% of the total settlement). Class Counsel has also requested that the Class Representatives each receive an Incentive Award of \$5,000. Class Counsel's requests for \$1,073,000 in attorneys' fees and expenses and an Incentive Award of \$5,000 each to Class Representatives from the settlement fund are fair, reasonable and adequate.

NOW, THEREFORE, GOOD CAUSE APPEARING THEREFORE, IT IS ORDERED, ADJUDGED AND DECREED THAT:

1. The Court possesses jurisdiction over the subject matter of these Actions, the Plaintiffs, Defendant, members of the Settlement Class, and the Released Persons.
2. The Court certifies the Settlement Class, for Settlement purposes only, under Rule 23 and all other applicable rules and law.
3. The objections to the Settlement, if any, are hereby overruled.
4. Timely requests for exclusion were submitted by \_\_\_\_\_ potential members of the Settlement Class and those potential Class Members (identified in Exhibit "1" hereto) are excluded from the Settlement Class. All other potential members of the Settlement Class are adjudged to be members of the Settlement Class and are bound by this Final Judgment and by the Stipulation and the Proposed Settlement embodied therein, including the releases provided for in the Stipulation and this Final Judgment.
5. All provisions and terms of the Stipulation are hereby finally approved in all respects. The parties to the Stipulation are hereby directed to consummate the Stipulation in accordance with its terms.

assigns, acquirers, divisions, representatives, heirs, officers, directors, shareholders, agents, managing agents, employees, attorneys, auditors, accountants, brokers, surplus lines brokers, underwriters, advisers, insurers, and parent and/or holding companies of the foregoing, and their co-insurers and re-insurers.

6. This Action is dismissed in its entirety on the merits, with prejudice and without leave to amend, and all members of the Settlement Class are forever barred and permanently enjoined from starting, continuing, or participating in, litigating or receiving any benefits or other relief from any other lawsuit, arbitration, or administrative or regulatory proceeding or order based on or relating to the claims, facts or circumstances alleged in this Action and/or the Released Claims against the Released Persons, including, but not limited to, Defendant. Accordingly, any future claims arising out of the conduct alleged in the Complaints and claims released herein are barred by res judicata. There shall be no limit to the res judicata effect of this Final Order and Judgment. Additionally, and not by way of limitation as to the res judicata effect upon anyone attempting to litigate any issue released herein, the Court permanently enjoins any Georgia resident (or any other person within the jurisdiction of the Court) from filing, commencing, prosecuting, intervening in, or participating in (as parties and/or class members) any action regarding any Released Claim, or attempting to amend an existing action to assert any class claims that have been released pursuant to the Stipulation. Any person in contempt of this injunction may be subject to sanctions.

7. The Court finds that Class Counsel and the Class Representative adequately, appropriately, and fairly represented and protected the interests of the Settlement Class for the purposes of entering into and implementing the Proposed Settlement. Accordingly, the named Plaintiffs are appointed as the representatives for the Settlement Class, and the following Class Counsel is appointed as counsel for the Settlement Class:
